

## Statement of Values

---

### **Our Strategy**

#### **Explore and evaluate**

We aim to explore and evaluate our prospects to determine their potential and commercial viability

#### **Discover and build**

We aim to grow our in-ground resources as a foundation for a sustainable business

#### **Develop and deliver**

We will aim to develop our resources to provide value for our shareholders

---

### **Our Values**

#### **Integrity**

Act with honesty and truthfulness in all we do and say to build trust by doing what is right.

#### **Respect**

Respect and value all people equally regardless of background, lifestyle or position.

#### **Safety**

Provide a secure, safe and healthy workplace and environment.

#### **Openness**

Be open and honest in reporting and providing feedback.

#### **Results**

Delivering on goals and objectives.

#### **Stewardship**

Strive to maximise the resources to deliver positive returns to stakeholders.
